Sir,

Sub:-Pucca Phodi of Land granted out of S.No.2 of Bhimasandra, Kanakapura Taluk.

Sriyuths Kapani Setty and Subba Setty were granted 2 acres of land out of S.No.2 of Bhimasandra Village under Grow More Food Scheme during the year 1951-52 and 45-46 respectively. After the confirmation of the said lease, the pucca phodi work was taken up and it is observed by the Surveyor at the time of measurement that the parties are cultivating the lands within the forest margin i.e., 'D' Line. So the matter was referred to the District Forest Officer for opinion. He has in his letter dated 14-9-59 has intimated to dispose of the lands after reserving 110 yards of forest 'D' line. Since the parties are cultivating the lands in question from a long time, the Deputy Commissioner, Bangalore Rural District has recommended for waiving the forest margin. I agree with the recommendation of the Deputy Commissioner and request you kindly to obtain orders of Government and to communicate early.

The copy of letter of the Deputy Commissioner dated 27-11-196 and the connected records are herein enclosed for perusal of Government and orders.

Yours faithfully,

(H.G.Halappa)

According to rules lands coming within the margin of 110 yards from the Demarcation line of state Forests should not be granted for cultivation. However as the lands under reference are reported to be in enjoyment of the grantees since 1945-46 and 1951-52, there is no objections to the confirm the grants as a special case.
